

SNUG

Soft Network Users Group

What is SNUG?

The **Soft Network Users Group (SNUG)** was established to promote the free exchange of ideas and suggestions, relating to the applications of **SCC Soft Computer (SCC)** laboratory software packages. As a vehicle of communication between the users and SCC, SNUG offers assistance to the large international client base.

After you go live, your first-year SNUG membership dues are provided compliments of SCC Soft Computer.

SNUG Provides

- List server for client discussions
- Support from a dedicated group of users who share a common goal
- Special Interest Groups (SIGs) for each SCC product
- Voting for software changes
- Discounted registration fee for the annual conference* in Florida!
